1. I come and I call and I conquer. I conquer division, divisiveness, derision within organizations, churches; organizations that will turn to Me and face Me and look into My eyes and let Me leadership them, let Me lead them, let Me speak and hear My voice. I will come and I will call and I will conquer and I will bring My beauty. I will bring My fountains of life of pure water, of running water, of purity and truth and beauty, majesty and splendor. I will bring My harmonies and My hues of colors and creativity into the organizations that let Me.
2. I come and I call and I request to be heard. I request to be seen. I request the honor of you receiving My presence. I request that you resist tradition and that you honor My request to see Me and to hear Me and let Me speak and let Me come and let Me call and let Me confirm you in the leading of My life in your life--so that you lead, lead with Me, with Me, at the helm so that I steer, so that I am your rudder, that I am your valves and that I flow in you as Me, Me as you, one.
3. I love you and I give you Me and I give you ponds and fountains and I give you beauty, majesty and color. The creation of My hands, the creations, My handiworks are majestic and beautiful and I love them.
